Lenovo at MWC: Experience AI-Powered Innovation, Cutting-Edge ThinkEdge Servers & Personalized AI PCs

Lenovo is a US\$57 billion revenue global technology powerhouse, ranked #248 in the Fortune Global 500, and serving millions of customers every day in 180 markets. Focused on a bold vision to deliver Smarter Technology for All, Lenovo has built on its success as the world's largest PC company with a full-stack portfolio of AI-enabled, AI-ready, and AI-optimized devices (PCs, workstations, smartphones, tablets), infrastructure (server, storage, edge, high performance computing and software defined infrastructure), software, solutions, and services.

Lenovo's continued investment in world-changing innovation is building a more equitable, trustworthy, and smarter future for everyone, everywhere. Join Lenovo at its MWC booth (3N30) to experience the latest range of personalized AI PCs, never-before-seen proof of concepts, and new Lenovo ThinkEdge servers powered by Intel.
