

# Intelligence is Your Edge

## Powered by Intel

The Intel logo, consisting of the word "intel" in a white, lowercase, sans-serif font, is positioned inside a solid blue square.The NYBSYS logo features the company name in a bold, blue, sans-serif font. Below the text is a horizontal line with seven circular nodes, resembling a network or data path.

### Company Introduction

Nybsys provides connectivity solutions that enable public and private businesses to build their own cellular networks with higher bandwidth, coverage, and reliability, which in turn allows next-generation digitalization scenarios such as automation, robotics, and HD video.

Nybsys is connecting the unconnected, protecting the vulnerable, and applying AI for good. This is achieved by creating solutions designed in Silicon Valley, crafted in Europe, built in Asia and Africa and proven throughout the world.

Company headquarters: California, USA / <https://www.nybsys.com>

### Nybsys Sentra Gen-AI @ Intel Edge – Smarter, Faster, GPU-Free
